

Phase 2 Finalist Guidelines

Phase 2 is your team’s opportunity to refine and strengthen the proposal you developed in Phase 1, in preparation for the Final Showdown on October 17, 2026.

At the Final Showdown, you will deliver a **10-minute live presentation** followed by a **10-minute Q&A** before a panel of judges from BPI Wealth. The allotted time will be strictly enforced. Teams should be prepared to explain the cohesion and originality of their solution, and to defend the choices behind their fund strategy, marketing approach, and customer experience/journey.

To help you prepare for the Final Showdown, your team will receive guidance from an assigned lead mentor and subject matter experts from BPI Wealth, who will accompany you throughout Phase 2.

Mentorship Next Steps

Each mentorship will be scheduled during BPI Wealth working hours (8:30am – 5:30pm). The dates indicate the scheduling window within which the relevant session will take place, but the exact date and time will be coordinated separately subject to the availability of your team members, and your mentors from BPI Wealth. We request that teams make time for this to ensure that your mentorship will go smoothly. Please expect an email regarding your schedule (this will be held virtually, via MS Teams / Zoom).

Scheduling Window	Session	What to Prepare
September 21-25	First Consultation with Lead Mentor	• Introductory Presentation of Phase 1 Submission • Questions, identified limitations, and an initial plan for revision
September 28-October 2	Consultation with Subject Matter Expert(s) • Investment • Marketing • Customer Experience	• Focused questions and ideas
October 5-9	Mock Presentation and Q&A with Lead Mentor	• Complete presentation deck • Near-Final Submission Requirements*
October 12	Phase 2 Submission Deadline	• <i>Check below</i>
October 17	The Final Showdown	

Phase 2 Submission Requirements

Forming part of a complete proposal where each pillar (Investment, Marketing, Customer Experience) is represented through a tangible output, each team must submit **the four (4) Phase 2 outputs by October 12, 2026:**

1. Final Fund Fact Sheet (PDF Format)

Refine the Phase 1 fund fact sheet to clearly present the fund’s strategy, objective, portfolio construction, suitability, risks, and overall value proposition for young Filipino investors.

2. 30-Second Marketing Video (.mp4)

Create a 30-second video that promotes the proposed fund to young Filipino investors. The format may be a formal product showcase, television-style commercial, short-form social media content, or another appropriate concept. The video will be played during the Final Showdown before the team's presentation.

3. One-Slide Customer Roadmap Graphic

Develop a single-slide visual that illustrates the investor journey from discovery to ongoing engagement, to be included in the Final Presentation Deck.

4. Final Presentation Deck (PPT Format)

Prepare a complete deck that brings together the refined proposal across the Investment Strategy, Marketing, and Customer Experience pillars and supports the team's live presentation and Q&A. To be used for your team's presentation during the panel defense.

All Phase 2 Submissions shall be submitted via email to the official FinQuest email address: finquest@bpi.com.ph

- Subject: FINALIST_TeamName_Phase2
- Please include a Google Drive link containing the fund fact sheet, marketing video, and presentation deck.

We wish you the best and see you at the Final Showdown!
